

"No one captures the exquisite pain of longing quite like Elizabeth Bell.  
The spectacular conclusion of an unforgettable series."  
— JESSICA CALE, bestselling author of *Tyburn*

*Two very different brothers must become allies  
to save the woman they both love in the epic  
conclusion of the Lazare Family Saga.*

CHARLESTON, SOUTH CAROLINA, 1860. For nine long years, Clare Stratford has struggled to understand her mother's final choice. The truth comes at a devastating price.

Clare's lifelong love, Dr. David Lazare, risks everything to heal her wounded body. But only the medicine of David's Cheyenne brother, Ésh, can mend Clare's shattered soul. Ésh offers her an escape from her past and from the South that has condemned her.

Can a scarred Southern belle find peace and purpose amongst Cheyenne tipis? Or, as the country hurtles toward civil war, does Clare's destiny lie back East alongside her beloved physician?

At once intimate drama and multigenerational epic, *Sweet Medicine* is the final book in the sweeping Lazare Family Saga that transports readers from the West Indies to the Wild West, from Charleston, Paris, and Rome into the depths of the human heart. The series begins with *Necessary Sins*.
